

SOUTHWEST AREA BUILDERS AGREEMENT
May 1, 2019 – April 30, 2022

THIS AGREEMENT, by and between, or on behalf of the parties and in the capacities and status designated in Article 2, hereof, establishes rates of pay, wages, hours of employment, fringe benefits, and vacations, where applicable, and other terms and provisions concerning employment relations and collective bargaining relations and collective bargaining between or involving such parties on construction work in the State of Minnesota as designated in Schedule 10. Throughout this Agreement, wherever the masculine gender appears, the feminine form applies equally and may be substituted therefore.

NOW, THEREFORE, for such purposes, it is agreed as follows:

ARTICLE 1
Considerations for Agreement

The considerations for this Agreement are the mutual promises of the parties and their mutual purposes to establish, maintain and promote sound and harmonious labor relations.

It is desirable to maintain the cooperative relationships existing during past years between the Employers and the Employees represented by the Union.

ARTICLE 2
Designation of Parties

A. The companies' signatory to this Agreement, hereinafter called Employers or Contractors, are party to this Agreement and agree to be bound to the terms of this Agreement. They are parties hereto as principals, but their status is several and not joint.

B. The labor organization on their own behalf and on behalf of the Employees whom they represent and on whose behalf they are recognized or to be recognized, hereinafter called Union, are parties hereto. The status of said Union is dual, in that they are parties hereto as principals and also as agents for the Employees whom they represent and on whose behalf they are recognized or to be recognized as hereinafter provided. The status of the Union is several and not joint, as related to other craft unions.

ARTICLE 3
Union Recognition

The Employer hereby recognizes the Union as the exclusive collective bargaining representative of the Employees in the craft signatory to this Agreement, in respect to rates of pay, wages, hours of employment, fringe benefits, vacations, where applicable, and other conditions of employment. The Union is hereby recognized hereunder by the Employer as the sole and exclusive bargaining representative of the Employees represented by them. The Union represents that they are qualified for such recognition.

ARTICLE 4
Union Security

A. The Union recognized under Article 3 of this Agreement shall be entitled to union security to the extent that each Employee in the collective bargaining unit represented by such Union shall, on the eighth (8th) working day following the beginning of employment in such collective bargaining unit by such Employer under the coverage of this Agreement or the effective date of this Agreement, whichever is later, be required to become and remain a member in good standing for such Union as a condition of employment.

B. The Employer will be required to dismiss Employees who refuse to comply with this Union Shop provision after personal notification by a bona fide representative of the Union to a responsible representative of the Employer on the job. The Union shall be entitled to approach individual Employees for organizational purposes as provided by law.

ARTICLE 5
Hiring Employees

There shall be no discrimination or harassment against any Employee because of affiliation or non-affiliation with the Union, race, color, age, sex, disability, creed, political or religious beliefs.

Nothing in this Agreement shall be deemed to constitute a hiring hall or to require the Employers to call only the Union for Employees, or to hire only Employees referred by the Union.

When called and the Union fails to provide qualified workers within twenty-four (24) hours, the Employer shall be free to employ anyone to perform the work at the appropriate scale as contained herein.

The Employer shall inform Employees that the Employer is a Union Contractor and as such, Employees on or before the eighth (8th) day of employment must become and remain members in good standing as a condition of employment.

On May 1, 1995, the Construction Craft Laborer Apprenticeship Program was established. The Apprenticeship Committee is made up of an equal number of Employer Trustees and Union Trustees. The parties incorporate by reference the terms and conditions of the Minnesota Laborers' Apprenticeship Program. Copies of the Apprenticeship Standards are available upon request.

A. Journey Laborers and Enrolled Apprentices. The Employers agree to give the Union the first opportunity when hiring Journey Laborers and Enrolled Apprentices. First opportunity shall be defined to mean that the Employer shall call the Union for not less than the first 50% of their Journey Laborers and Enrolled Apprentices.

B. Apprentice Candidates. An Employer seeking to hire an Apprentice Candidate shall first contact the Union Local with geographical jurisdiction. The Local shall refer to the Employer an Enrolled Apprentice from the Local's out-of-work list. If an Apprentice is not available from the Local Union, then the Employer may directly engage an Apprentice Candidate and then refer that individual to the Apprenticeship Program as a sponsor. The individual must be enrolled with the Apprenticeship Program as an Apprentice within eight (8) business days of employment.

In situations where the Contractor determines as a means to advance business relationships or in other extenuating circumstances, the Contractor may directly hire an Apprentice Candidate, enrolled Apprentice, or Journey Laborer after notifying a Local Union Representative.

If an Apprentice Candidate is not registered as an Apprentice at the Apprenticeship office within eight (8) business days of employment, the worker shall be deemed a Journey Laborer for wage and benefit purposes. Failure to register may result in action pursuant to Article 10.

ARTICLE 6
Insurance and Taxes

A. The Employer agrees to carry any and all insurance and pay all taxes as required by applicable State and Federal law.

B. The Employer further agrees to pay the State Workers' Compensation Insurance and into the State Unemployment Compensation Fund such amounts as are due from and after the date Employees from this Union are employed on the job.

C. The parties hereby agree that the Employers, who are parties to this Agreement may, at their option, participate in the Union Construction Workers Compensation Program, a collectively bargained workers compensation program, which will enable the Employers to provide workers compensation benefits to eligible Employees under this Collective Bargaining Agreement. The Rules and Regulations of the Program will apply to participation.

D. The Union and contractors agree to work jointly to file prevailing wage registration forms on a timely basis with the Minnesota Department of Labor.

ARTICLE 7
Conflicting Agreements

The Employer agrees not to enter into any Labor Agreements covering construction jobs, exclusive of maintenance and repair shops, with their Employees on whose behalf the Union has been granted recognition hereunder individually or collectively which in any way conflicts with the terms and provisions of this Agreement.

ARTICLE 8
Violations of Agreement

A. In the event the Employer deliberately violates the provisions of this Agreement relating to wages, hours of work, or overtime differentials, any back pay owed to the Employee because of such violation shall be paid by the Employer at the rate of two (2) times the standard straight time and overtime rate. The vacation benefit, as a taxable wage, shall be included in any such backpay calculations.

B. Reasonable evidence of clerical error or honest mistake in interpretation of this Agreement shall exempt the Employer from the double penalty provisions, in such a case the Employer shall be required to pay only the actual amount of back pay involved, at the standard straight time and/or overtime rate.

C. When there is evidence of collusion between the Employer and Employee to violate the Agreement, any back pay collected shall be made payable to the Employee, and shall be deposited with the Union, if the Arbitrator so orders.

ARTICLE 9
Discharge

The Employer may discharge any Employee whose work or behavior is unsatisfactory or who fails to observe the safety precautions or other reasonable rules and regulations prescribed by the Employer or any governmental agency. No Employee shall be discharged for refusing to work under unsafe conditions.

ARTICLE 10
Settlement of Disputes

A. Any controversy over the interpretation of, or adherence to the terms of this Agreement shall first be attempted to be resolved between the Union and the Employer. Any controversy or grievance shall be deemed to be waived unless submitted in writing within ten (10) working days after the first occurrence of the event or knowledge of the condition giving rise to the grievance.

B. **Disputes Board.** If a satisfactory settlement cannot be reached between the Union and the Employer within five (5) working days of the written submission of the grievance the matter may be brought to the Labor-Management Basic Trades Disputes Board (hereinafter "Disputes Board"), if both parties agree in writing. In such case, the grieving party shall submit a written statement of the claim and facts of the matter to other parties including the Employer and the Union. (The rules of the Disputes Board shall be those already adopted by the Joint Committee.)

Both parties must sign an Agreement to bring a matter before the Disputes Board. Both parties must sign a document binding them to Board decision. If either party does not attend the meeting after signing above and being notified of the meeting date and time, a decision will be rendered though they are not present.

Decisions of the Disputes Board will be drafted at the conclusion of the meeting, signed by members of the Board, and distributed to both parties at that time.

The Disputes Board is made up of equal numbers of Employer and Labor representatives, who will meet regularly to settle any disputes (other than jurisdictional disputes), to avoid work stoppages, or other problems affecting productivity. This Board shall have no power to add to, delete, or modify, any of the terms or provisions of this Agreement. All decisions of the Disputes Board shall be final and binding on the parties.

If either party, after signing above documents, refuses to abide by the decision of the Disputes Board, economic action may be taken by the other party.

C. **Arbitration.** Should the Disputes Board, as established, be unable to reach a decision on the matter before it, or because of a deadlock (lack of majority) or if either party refuses to use the Disputes Board, then the matter may be referred to Arbitration within ten (10) working days after the dispute is referred to arbitration, the parties shall ask the Federal Mediation and Conciliation Service for a list of five (5) Arbitrators from which the aggrieved party shall first strike one (1) name and the other party shall then strike one (1) name, and the parties will alternately strike names until there is one (1) name left. The final name shall be selected as the Arbitrator. The Arbitrator thus selected shall set the time and place for hearings, which shall begin no later than ten (10) working days after his or her selection, with the final decision to be handed down in not more than ten (10) working days after the last hearing is held. The time may be extended by mutual agreement between the parties.

The decision of the Arbitrator shall be final and binding on the parties to this Agreement who are the parties to the dispute; provided, however, that the Arbitrator shall have no power to add to, delete, or modify any provisions of this Agreement.

The Employer and the Union will share equally all fees and expenses of the Arbitrator. All work and other conditions prevailing immediately prior to the raising of the question to be decided under this Article shall remain unchanged until final decision has been issued.

ARTICLE 11 Management

Management reserves the right to manage its jobs to the best interest of Management; the right to retain or dispense with Employees; to reduce or increase the number of Employees needed on each project, crew, activity or piece of equipment. Under no condition will Union Representatives make demands for more Employees in a crew on specific projects, insofar as it does not conflict with this Agreement.

ARTICLE 12 Safety

A. Accident and injury free operations shall be the goal of the Employer and Employees. To this end the Employer and Employee will, to the best of their ability abide by and live up to the requirements of the several State and Federal Construction Safety Codes and Regulations.

B. To this end the Employer shall from time to time issue rules or notices to his Employees regarding on the job safety requirements. Any Employee violating such rules or notices shall be subject to disciplinary action. No Employee may be discharged for refusing to work under unsafe conditions.

C. Such safety equipment as required by governmental regulation shall be provided without cost to the Employee. At the Employer's option, the Employees may be required to sign for safety equipment and shall be obligated to return same upon discharge, layoff, quit or other termination in comparable condition as when issued, providing reasonable wear and tear. The Employer shall have the right to withhold the cost of such safety equipment if not returned.

D. Employers may require drug and alcohol testing of Employees and applicants for employment including random testing if the Employer has adopted a written drug and alcohol testing policy complying with the provision of the LUC program and applicable statutes.

ARTICLE 13 Pickets, Banners and Strikes

The Employer shall not require an Employee to go through a primary picket line or banner to work. It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an Employee decides not to cross a primary picket line or banner. This clause shall not apply to secondary picket lines or banners and it shall not apply to jurisdictional picket lines, banners, or watchmen employed by the Contractor.

ARTICLE 14
Strikes, Lockouts, Work Interference

A. The Union and the Employer agree that there shall be no strikes, lockout, work-stoppages, slow-down, sit-down, stay-in, or other concerted interference with the Employer's business or affairs by the Union and/or the members thereof, and there shall be no lockout during the existence of this Agreement without first giving the Employer forty-eight (48) hours written notice and sending the dispute through procedures established in Article 10.

B. Spread-work tactics, slow-down, stand-by crews, forcing of overtime has been and is condemned by both parties, and Employees engaging in same shall be liable for disciplinary action.

ARTICLE 15
Subcontractors

The parties agree to not subcontract any work that the Contractor normally performs in order to avoid the terms and conditions of this Agreement. They also agree that it is mutually desirable to have work performed by subcontractors working for the Contractor who is a party to the Agreement, subject to the terms of this Agreement, and the Contractor will, in letting subcontracts, endeavor to obtain this objective.

ARTICLE 16
Union Representatives

A. Only authorized Union Representatives shall have the right to confer with Employees on the job. Each and every Union Representative shall first contact the job superintendent or foreman, or whoever is in charge of the project, before conferring with any Employee. At no time shall such Union Representative hinder or interfere with the progress of the work.

B. It shall be the obligation of the Union Representative to adhere to all pertinent safety rules of the particular job while on the Employer's premises.

ARTICLE 17
Rotation of Employees

The Union may not require rotation of Employees during the life of this Agreement, other than Apprentices shifted for purposes of training.

ARTICLE 18
Payroll Records

In case of a dispute arising over hours, wages and fringes, the Union shall have the right to examine the payroll records of the individual Employees covered by this Agreement upon which there is a dispute. Prior to the actual examination, a written request shall be submitted to the Employer involved.

ARTICLE 19
Payday and Wage Payment

A. All regular, full-time Employees covered by this Agreement shall be paid in full each week. Not more than seven (7) days shall be held back, including payday.

B. Wages shall be paid at or before the end of the shift of the designated payday. Failure on the part of the Employer to comply with this provision shall entitle the Employee to an extra four (4) hours pay.

C. When an Employee is laid off, or discharged he shall receive all money due him in negotiable check within twenty-four (24) hours. If the Employee does not appear to collect his check the Employer will immediately mail his check to the Employee's last known address. This provision is intended to conform with Minnesota Statute §181.13.

D. An Employee who quits will be paid any wages due him at the next regular payday.

E. The Employer agrees to provide the following information on Employee's check stub: hours, date, regular pay, overtime pay, gross pay, deductions, net pay.

F. The Union shall allocate negotiated increases prior to their effective date. Increases shall be as follows: (a) if the effective date falls on a Sunday through Wednesday, then the increase will become effective on the Monday of that week; (b) if the effective date falls on a Thursday through Saturday, then the increase will become effective on the Monday of the following week.

ARTICLE 20 Fringe Benefits

The Employer agrees to contribute every month, not later than the 15th day of the following month, hereinafter called the "due date," such sums for Pension, Health and Welfare, Vacation, Training/Apprenticeship and LECET as is designated in the wage schedule of this Agreement for each hour worked by all Employees covered by this Agreement. The fringe benefit funds shall be known separately as the Minnesota Laborers Pension Fund, the Minnesota Laborers Health and Welfare Fund, the Minnesota Laborers Vacation Fund, the Construction Laborers Education, Training and Apprenticeship Fund of Minnesota and North Dakota and the Minnesota Laborers-Employers Cooperation and Education Trust (LECET) Fund and collectively as the Minnesota Laborers Fringe Benefits Funds ("Fund(s)"), under separate Trust Agreements, copies of which are available upon request from the Fund Administrator, and to which the Employer is automatically bound. The Trustees shall equally represent the Union and the Employer.

1. The fringe benefit contributions are to be paid on one check and submitted to the agent of the Funds as designated by the Trustees.

2. (a) The Employer is required to accurately report all hours worked by each Employee covered by this Agreement on a report form provided by the Fund Administrator.

(b) All fringe benefit contributions are paid on an hourly basis on all hours worked. This includes straight time, one and one-half time and double time. The Vacation contribution is taxable and is paid for work performed at one and one-half and double time (see Schedule 10). The Pension, Health and Welfare, Training and LECET contributions are not pyramided, but shall be paid for all hours worked. Example: If hourly wage is \$3.00 plus \$.10 for Pension, Health and Welfare, Training and LECET plus \$.02 Vacation; time and one-half overtime wage rate is \$4.50 plus \$.10 for Pension, Health and Welfare, Training and LECET plus \$.03 Vacation; double time overtime wage rate is \$6.00 plus \$.10 for Pension, Health and Welfare, Training and LECET plus \$.04 Vacation.

3. (a) In the event that a National Health Insurance Program is enacted, the Employer contribution to the current Health and Welfare Plan, as described in Schedule 10, shall be applied to any cost incurred by the Employer and/or the Employees covered hereunder in connection with such National Health Plan.

(b) If the current Employer contribution is in excess of the cost of such National Health Plan, then at the discretion of the Employees covered hereunder, the difference shall become a contribution to either a supplemental health and welfare insurance plan and/or one of the existing Pension Plans.

4. There shall be no requirement that Employees sent to work outside the scope of this Agreement be paid fringes, nor shall the Employer be required to duplicate fringe contributions. The Employer shall maintain adequate records from which the Funds may determine whether Employees worked outside the scope of the Agreement.

5. (a) An Employer shall be considered "delinquent" for a particular work month if its required report and payment for that month are not postmarked on or before the 15th day of the following month (the "due date"), irrespective of whether such delinquency is willful or otherwise.

(b) If an Employer becomes delinquent for a particular work month (as provided in (a) above), the Employer shall also pay, as liquidated damages and not as a penalty, an amount equal to 10% of the payment otherwise due for such work month, it being understood and acknowledged by the parties that actual damages are extremely difficult or impossible to ascertain and that the amount so fixed as liquidated damages is reasonable.

(c) An Employer is also required to pay interest on all delinquent fringe benefit contributions at the rate prescribed by the Trustees in the Trust Agreements as may be amended from time to time.

(d) If an Employer becomes delinquent for a particular work month (as provided in (a) above), as to any or all of the Trust Funds, or should the Trust Funds reasonably deem itself insecure in the payment or collection of fringe benefit payments by reason of the Employer's past delinquencies, insolvency, insufficient capitalization, and/or lack of assets subject to attachment within the State in which work is performed, then the Fund Administrator, upon submission of an affidavit of the Fund Administrator to Employer attesting to same, shall have the right to compel the Employer to post a cash or fringe benefits surety bond (in a form acceptable to the Fund Administrator) in the face amount of the greater of \$20,000 or 125% of the total fringe benefit payments reasonably estimated to come due within the six (6) months following the date of Fund Administrator's affidavit. This bond may be required whether or not a delinquency exists at the time and may be required in addition to a bond posted for a prior delinquency.

The Union shall refuse to supply workers and shall prohibit Employees covered by this Agreement from working for any such delinquent Employer who fails or refuses to provide or maintain such a bond required under this Article.

(e) Illustration of clauses (a), (b), (c), and (d): If an Employer's report and payment for fringe benefit contributions for the January work month have not been postmarked before February 16, such Employer becomes delinquent at that point and must pay the full amount due, plus 10% of the delinquent amount, plus interest. If the report and the full payment for January (including the 10% liquidated damages amount and interest) are not postmarked before March 16, the Fund Administrator may submit an affidavit to the Employer and the Employer must then post a bond in the amount of \$20,000 or 125% of the estimated amount whichever is greater, in addition to reporting and paying the full amount due.

(f) The delinquent Employer shall also be required to pay all costs of collection actually incurred by the Trust Funds, including all attorney fees, service fees, filing fees, court reporter fees, and all other fees, costs and disbursements incurred by or on behalf of the Trust Funds in collecting the amount due. Trustees at their discretion may reimburse (from the Fund) the Unions for picketing and banner expense actually incurred by the Union in collecting amounts due the Trust Funds, which expenses shall be deemed to be costs of collection incurred on behalf of the Trust Funds.

(g) Each Employer who is required to make payments to the Trust Funds shall promptly furnish to the Trustees, or the Unions, or their authorized agents, on demand, a complete set of all relevant employment and payroll records, including but not limited to federal forms W2 and W3, federal quarterly 941 forms, federal forms 1099 and 1096, Minnesota Unemployment Quarterly Reports (MUTAs or MN UCs) or such similar state required quarterly reports, time cards, payroll and check registers. This includes any other relevant information that may be required in connection with the administration of the Trust Funds. The Trustees, the Unions, or their authorized agents may examine such records whenever such examination is deemed necessary by the Trustees, the Unions or their authorized agents in connection with the proper administration of the Trust Funds.

If any Employer fails or refuses to furnish its payroll records to the Trustees, the Unions or their authorized agents upon demand or refuses to afford the Trustees, the Unions or their authorized agents reasonable opportunity to examine the same in accordance with standard auditing procedures, the Trustees or the Unions may enforce such rights by legal action, in which event all attorney fees, service fees, filing fees, court reporter fees and other legal costs and disbursements, as well as the auditing fees and costs incurred in conducting such audit, shall be paid by such Employer on direction by the Trustees. The Unions shall also have the right to take economic action to enforce such rights on behalf of the Unions and the Trustees and the Trust Funds shall reimburse the Unions for picketing and banner expenses actually incurred in enforcing such rights.

Each Employer bound to this Agreement is obligated to maintain adequate records to identify the type of work being performed by its Employees to allow the Funds to determine whether the Employer is accurately reporting hours to the Funds. If the Employer fails to maintain satisfactory records from which the type of work being performed by an individual may reasonably be determined, the Employer will be held liable for all of the hours worked by that individual for whom the Employer is unable to produce satisfactory records verifying the type of work being performed by that individual.

(h) Notwithstanding the provisions of Article 10, Settlement of Disputes, the failure, refusal or neglect of an Employer to report and to pay sums due the Trust Funds or otherwise to comply with the terms and provisions of this Article shall not be subject to arbitration. The Trustees or the Funds may proceed with legal action without pursuing or participating in any dispute resolution process contained in this Agreement.

(i) The parties to this Agreement acknowledge that the provisions of this Agreement establishing rates of pay, wages, all hours of employment and other terms and conditions of employment, including fringe benefits, apply to Employees employed in job classifications within the jurisdiction of the Union from the first date of employment, REGARDLESS OF WHETHER OR NOT SUCH EMPLOYEES ARE MEMBERS OF THE UNION.

(j) No Agreement will be signed with any Employer who is delinquent with the submission of payment for fringe benefit contributions, past or present, unless or until fully paid. An Employer with a history of delinquencies may be required to post a fringe benefit bond in the manner and amounts as provided for in this Article, prior to the execution of a new Agreement. Any and all fringe contribution rates shall be open for adjustment on any anniversary date upon thirty (30) days written notice to the Employers. Such adjustments shall operate to adjust wages in like amount.

6. The Parties agree to the possibility of starting an annuity (defined contribution plan) during the term of this Agreement funded out of the existing package and administrated by the Pension Fund Trustees.

7. Any Employer signatory to this agreement may submit in writing to the Fund Coordinator, a request for information and shall be entitled to receive information regarding delinquent status of another Employer. This information is available only when a Prime Contractor / Subcontractor relationship exists.

ARTICLE 21 Saving Clause

This Agreement is intended to be in conformity with all applicable and valid State and Federal laws, rules and regulations. Any conflict between the provisions of this Agreement and the terms of any such laws and regulations shall cause the provisions of this Agreement so in conflict to be superseded or annulled but shall not supersede or annul the terms and provisions of this Agreement which are not so in conflict.

ARTICLE 22 Entire Understanding

This Agreement covers the entire understanding between the parties hereto. Nothing which is not contained herein will be of any force or effect upon any party hereto.

ARTICLE 23 Duration

A. All terms of this Agreement shall take effect May 1, 2019.

B. This Agreement shall remain in full force and effect through April 30, 2022.

C. Any party has the right to terminate or amend this Agreement by giving notice to the other party sixty (60) days before the expiration of this Agreement. Failure to give such notice shall cause this Agreement to be renewed automatically for a further period of twelve (12) months.

D. In the event such written notice is given and a new Agreement is not signed before the expiration date of this Agreement, then this Agreement shall continue in force until a new Agreement is signed, negotiations are formally broken off, or until a strike or lockout occurs.
